

## Cahaba Technology, Inc Browser Settings

(Product names and images used herein may be trademarks or registered trademarks of their respective owners).

If you are using Internet Explorer and the archived images do not change, you may need to change a setting in your browser. Please follow these steps.

1. Click the **Tools** option
2. Click the **Internet Options** selection
3. Click the **Settings** button under **Temporary Internet Files**. The title of these options may differ slightly depending on your version of Windows.
4. Check the **Every visit to the page** option under **Check for new versions of stored pages**. Again, the description of these options may differ with your version of windows.
5. Click **OK** and exit Internet Explorer
6. Reload Internet Explorer and the archive images should refresh normally.
